**Principles & Practice of Psychiatric Disability Rehabilitation & Support.
Monday 13th October, Monday 20th October &
Monday 27th October 2008**

This three-day program is specifically designed to provide you with the knowledge and skills needed in the work of psychiatric disability rehabilitation and support. It is ideally suited to PDRS workers with up to 12 months experience.

The content and process of the program will add to your professional practice whether working with individual consumers, in groups, in residential settings or actively linking people into broader community options. The program aims to enable workers to engage in debate and discussion around the development of practice theory, practice skills, and the self-awareness required for an effective psychiatric disability rehabilitation and support worker.

Program content includes:

- History of the PDRS sector in Victoria
- Becoming a Reflective Practitioner
- Groups and Recovery
- The role of the family in psychosocial rehabilitation
- Working as part of a team
- Ethical Dilemmas
- The Mental Health Act
- Culturally Sensitive Practice
- OH&S issues Specific to PDRS

Training Package includes:

- Course materials
- Lunch provided at training venue
